

Hi, Santa! My name is \_\_\_\_\_

and I have Childhood Apraxia of Speech.  
Because of CAS I cannot tell you what I  
would like for Christmas, so my mom  
helped me write this note to you.

I have been very good this year and  
worked really hard in therapy. I would  
love it if you would bring me a  
\_\_\_\_\_  
\_\_\_\_\_.

I promise to behave and to keep  
working hard to learn new words.

Thank you, Santa!

HO HO HO

P.S.
